Section 1. Legislative Intent and Purpose. Pursuant to the authority given by Section 467 of the Real Properly Tax Law of the State of New York, the Town of Mayfield grants a reduction in the amount of real property taxes paid by qualifying senior citizens. To obtain such reduction, qualifying senior citizens must file Form RP-4.67 each year. The instructions for Form RP-467 specifically state that the said Form must be filed in the Assessor's Office on or before the taxable status date which, in the Town of Mayfield, is March 1 of each year. Each year, the Town of Mayfield Assessor's Office mails Form RP-467 to every qualifying senior citizen in the month of October. The Mayfield Town Assessor believes, as does the Mayfield Town Board, that such mailing in October provides the applicants ample time in which to file the said Form by the March 1 deadline date. Additionally, acceptance of such applications beyond March 1 would unnecessarily create a significant amount of paperwork to modify/correct the Tax Roll, which would be a very time consuming task for multiple people to complete. In light of the foregoing, Town of Mayfield Local law No. 2 of the year 1993, which permits acceptance of renewal applications for the aforesaid real properly tax reduction after the March 1 taxable status date, appears to no longer serve any useful purpose and should be repealed.

Section 2. Repealer. Town of Mayfield Local Law No.2 of the year 1993 is hereby repealed and declared to be no longer in full force and effect.

Section 3. Effective Date. This Local Law shall take effect immediately upon its filing in the New York Secretary of State's Office and shall apply to all applications which become due on March 1 2024 and on March 1 of each succeeding year thereafter.

ADJOURNMENT

On motion by Councilwoman Mazzarelli, seconded by Councilman Putman the meeting was adjourned at 7:32 PM
